Ok, this looks a bit different than the one I was thinking of. I don't think I have seen this one before. Please remind me what your letter was about and we will take the lead on this. Thanks

Here is the email that I received from Lisa. I met her at the Pebble Keystone meeting so that is why she contacted me.

Patty,
We would like to have a meeting with Ms. Jackson in Washington DC this month and we have not received a response back from her about our request. Would you mind seeing if you could get a response from her.
Thank you.
